

# **Podium** 2022 ANNUAL REPORT

### *Mission*

To empower youth ages 11 - 19 as confident and capable writers, communicators, and leaders to succeed in school, career, and in life.

### *Community Services*

- Weekly after-school and summer workshops
- Quarterly youth publications and showcases
- Annual teen professional development

This school year was Podium's return to full in-person programming since COVID-19 shutdowns. To meet community need, Podium **increased free program hours by 50% this year, so over 500 youth** could connect with each other, present their stories and break through elevated stress by sharing with others in-person. Podium's weekly, year-round programs uniquely improve literacy and future planning skills for children and teens. In 2023, Podium will expand our footprint from Greater Richmond to the Tri- Cities. Together, we write our region's next chapter.

## Scholarship Award Night

May 26, 2022

On May 26, 2022, Podium RVA hosted our inaugural Scholarship Awards Night. We presented three amazing and deserving youth with the Anne F. Waldruff Excellence in Education Scholarship. These three spectacular youth showcased incredible prowess and capability in their education, community involvement, passion for writing, and so much more!

Everyone at Podium was so proud to reward these youth with this initial \$5,000 scholarship, and a future one, to pursue their higher education. A special congratulations to Kameron Belfield, Lael Washington, and Shaniece Gentry! (Pictured from left to right in the above image, with scholarship founder Anne F. Waldruff.)

This year, two Podium alumni played special roles. Dre'mon Miller was our MC and Charmeya MacMurray was our special guest speaker. Thank you to our honorees, Dr. Arthur Kellermann, Kathryn Kahlson, and Stephanie Lynch. And thank you to the dishers who delivered absolute brutality at the expense of our honorees.

## Namugga Mabel Foundation

This summer, Podium elevated the voices of our children and teens to a global level. The Namugga Mable Foundation is a nonprofit located in Kampala, Uganda, that works to create a better living for those who lack necessary resources. They provide day to day basic needs, promote good health to the community at large, and help children learn to read and write. Writing and communication are vital skills that everyone should have access to, from Greater Richmond to across the globe. That is why, in 2022, Podium teamed up with Namugga Mable to send writing supplies along with 55 Podium journals to help Ugandan youth learn to read and write from our teen writers.
